I have no alterations to propose to the scheme submitted to Government in Ref.C.No.24178/51-B7 dated 14-9-1951. As it is estimated that it would require at least five years to implement the scheme I request that a sum of Rs.8000/- i.e, 1/5 of the cost of the entire scheme may be alloted for expenditure in e each of the five years commencing from 1953-54.

Yours faithfully,

EXPLANATORY NOTE

The Koragas in the Kumbla firka of South Kanara Dt. are the most primitive and backward class among the Harijans of that District. Their main occupation is basket making from forest creepers and bamboos but they do not get fair prices for their articles, as they are often exploited by the money-lenders. They have no permanent dwelling places and their living conditions are stated to be most miserable. The former ~~Hon'ble the~~ Minister for Firka Development (Dr. S. Gurubatham) who visited the firka sometime during the end of 1948 expressed the view that the Koragas should be provided with

houses and instructed the local officers to send proposals for housing the Koragas. The Economic Adviser to the Govt. of Madras who inspected the Kumbla firka in 1949 considered that it was of paramount importance that the housing conditions of Koragas in the firka should be improved in the first instance. The proposal was considered as a Part II Scheme for 1951-52, but was deferred.

There are about 80 Koraga families in the Kumbla firka. Arrangements have already been made to provide houses to 14 out of the 80 families meeting the expanditure partly from the lumpsum grants and partly from the contributions from the villagers. Houses will therefore have to be provided to the remaining 66 families only. The scheme contemplates the construction of 66 houses of type design with tiled roofing. Each house is estimated to cost Rs.600/-, 25 per cent of which (i.e. Rs.150/-) will be realised from the villagers in the shape of labour, materials, etc. Five drinking water wells will also have to be constructed at an estimated cost of Rs.1,500/- each. To raise the living standards of the Koragas, half an acre of land will be granted for cultivation to each of the 80 Koraga families without right of alienation, and free of assessment for five years. Some assistance like the supply of agricultural implements, seeds, money etc. will be given to them for bringing waste lands under cultivation. A sum of Rs.2,500/- will have to be provided under contingencies for this purpose. The scheme involves a non-recurring expre. of Rs.40,000/- as detailed below.

para 3 of 94(1)(v)

Cost of construction of 66 houses @ Rs.450/- each (600-150)	..	Rs.29,700
Cost of ponstruction of 5 wells @ Rs.1,500/- each.	..	7,500
Contingencies for bringing waste lands under cultivation.	..	2,500
Total		Rs.39,700 or 40,000

94 P

The Collector of South Kanara has stated that as it would require at least five years to implement the Scheme, a sum of Rs.8,000/- may be allotted for expre. during the year 1953-54, Whilst considering the proposals, the M.(R.W.) has minuted as follows:-

94 P

"I think this is a scheme worth consideration; financially also it is not a big commitment"

S.B.P.P.R.
19.11.52.

The M.(Fin.) has agreed to the scheme being considered as a Part II Scheme for 1953-54.

It is accordingly proposed to treat the proposals as a Part II Scheme for 1953-54 and to make the necessary provision in the B.E. for 1953-54, as shown in the aummary above.

An extract of the proceedings of the meetings of the Standing Finance Committee held on the 27th to 29th January 1953 containing its recommendations on the Part II Scheme for 1953-54 is communicated to the Departments of the Secretariat for information. The Committee's recommendations are mainly based on the consideration that only an interim budget will be presented to the Legislature in March next for the whole of the Madras State and that such of the deferred schemes as are considered imperatively and immediately essential for the proper running of the administration may be brought forward again in about July 1953, for consideration in connection with the preparation of the final budget for 1953-54. The decision of the Committee is subject to final approval by the Cabinet at its meeting which is proposed to be held on the 21st February 1953.

2. No commitment should be entered into in respect of any scheme, until provision for it has been included in the Annual Estimate of expenditure for 1953-54 and voted by the Legislature.

10/10/52 10/10/52

The scheme for housing of Koragas in the Kumbla firka of South Kanara Dt. was considered as a Part II Scheme for 1952-53 and was deferred. It is now proposed to revive the scheme for consideration as Part II Scheme for 1953-54. Detailed proposals in the matter have been called for from the Collr. of S. Kanara, which will be incorporated in the Part II Scheme note.

The approximate cost involved in the proposals is as follows:

Cost of construction of 66 houses @ Rs.450/- each	Rs 29,000
Cost of five wells at Rs.1500/- each.	7,500
Contingencies for bringing lands under cultivation	2,500
	Rs. 39,700

Finance may see pending preparation of the Part II Scheme Note.

Part II Scheme for 1953-54.

Scheme for housing of Koragas in the Kumbla Firka, S.Kanara District.

The scheme for housing of Koragas in the Kumbla Firka at an estimated cost of Rs 39,700/- was considered as a Part II Scheme for 1952-53 and was deferred. It is now proposed to revive the scheme for consideration as a

2

Part II Scheme for 1953-54 and the detailed proposals in the matter have been called for from the Collector of S.Kanara. It is submitted that the main consideration, which weighed with the Govt. for ~~not~~ deferring the proposal in connection with the Budget for 1952-53 was financial stringency, which still persists. Further, the proposals have not yet been received from the Collector. The scheme is thus ~~belated~~ not ripe. In the circumstances, this deptt. may advise against the scheme being considered as a Part II Scheme for 1953-54.

2.11.52 Part II Schemes relating to works should be accompanied by sketch plans and approximate estimates. Vide para 57 of the Budget Manual. This condition is not satisfied in the present case. The proposal is therefore not ripe for consideration as a Part II Scheme for 1953-4 & may be dropped.

Please see the letter since received from the Collector of South Kanara on p. 9 cf., and the note above of the Fin. Dept. The Collector has required for a provision of Rs.8,000/- only for the year 1953-54 as it has been estimated that ~~the~~ it would require atleast five years to implement the scheme. This goes a long way in reducing the commitments of the Government for the year 1953-54.

ASSISTANT SECRETARY TO GOVERNMENT 7.11.52 RURAL WELFARE DEPARTMENT

As regards the note above ~~[illegible]~~, submitted that Art. 57 of the Budget Manual no doubt lays down that part II schemes relating to works should be accompanied by sketch plans and approximate estimates. The approximate estimates are already there in the Collector's letter on pages 9-11 cf., of "(V)". It is too late in the day to call for a sketch just now as it may take some time. It does not appear that the lack of sketch plans is so vital as to vitiate the entire case

Not put up

as the Fin. Dept., themselves found nothing objectionable when the self-same proposal was put through as a Part II scheme for the year 1952-53 without any sketches. The plans will be called for separately. Finance may be requested to agree to the scheme being taken up as a Part II proposal for 1953-54.

Rural Welfare (I) Dept.

Please see the notes of the Fin. Dept. on p.3 above. It is proposed in this file to consider as a Part II Scheme for 1953-54, a scheme for housing the Koragas in the Kumbla firka of South Kanara Dt. The Koragas in the Kumbla firka are reported to be the most primitive and backward class among the Harijans of that District. The former Minister for Firka Development, Dr. S. Gurubatham, who visited the firka sometime during the end of 1948 expressed the view that the Koragas should be provided with houses and instructed the local officers to send proposals for housing the Koragas. The proposal was considered as a Part II Scheme for 1952-53, but was deferred. It is now proposed to revive the Scheme for consideration as a Part II proposal for 1953-54. The Collr. of South Kanara has written to say that as it would require atleast 5 years to implement the scheme a sum of Rs.8,000/- may be provided for expre. in each of the five years commencing from 1953-54. The total annual cost for the year 1953-54 will, therefore, be Rs.8,000/- only. The Fin. Dept. have no objection to the Scheme being put forward as a Part II ~~Scheme~~ proposal for that year. The case may now be circulated to the M(R.W.) and the M(Fin.) for orders as to whether the proposal will be considered as a Part II Scheme for the year 1953-54.
